INTERNATIONAL STUDENT PAPER CONTEST 2015

A Warm Welcome

Participant!

Thank you for participating the 2nd International Student Paper Contest 2015 with theme " Mining and Economic Geology in Sustainable Development "

Here is The Rules and Guideline of ISPC 2015

Please read it carefully, feel free to contact us for any question on : ispc@ugm.ac.id

INTERNATIONAL STUDENT PAPER CONTEST

MINING AND ECONOMIC GEOLOGY IN SUSTAINABLE DEVELOPMENT

“MINING AND ECONOMIC GEOLOGY IN SUSTAINABLE DEVELOPMENT”

Indonesia is well-known for its enormous mineral resources such as gold, copper, tin, etc. It is urgent for university graduates to be familiar and understand about how to utilize these resources to fulfill our development towards prosperity in a concept of sustainable development. Therefore, we intend to hold a paper contest called as International Student Paper Contest Universitas Gadjah Mada 2015 (ISPC UGM 2015).

ISPC UGM 2015 is one of the greatest Student Paper Contest in the World that held by the Association of Geological Engineering Students (HMTG) Universitas Gadjah Mada (UGM). ISPC UGM 2015 is part of Geoweeek's Series Event. This year ISPC has focused to the hard-rock session by theme “ Mining and Economic Geology in Sustainable Development “. The theme is defined as Ore Mineral Resources, Industrial Mineral Resources, Gemstone Resources, and Environment and Mining Technology.

Our goal to organizing this event is to encourage student to delve and research more about Mining and Economic Geology in Green concept as Sustainable Development, then write it into the creative research paper.

We hope that ISPC UGM 2015 will improve student's interest about writing a paper, especially about Mining and Economic Geology. Thus, it will improve the quality of Indonesia graduates who will lead the International future development.

This year, our target participant are undergraduated students whose Major Geology, Geophysics, Mining Engineering, Enviromental engineering, and the other major over the the World's University.

A. General Rules and Guidelines

- Officially enrolled as university student when applying
- Judge's decision is final and undebatable

B. Rules on Form and Content of Presentation / Paper

- Only single-author, double-author or triple-author presentation/papers are eligible.
